HW:

A couple of mailings back we went you a Jan. 23 AP clipping from the Chronicle, "Tax Board Asked to Bill Nixon." Meant, but forgot, to underline the 2nd graf from the end where it quotes Bennett's complaint that Nixon has voted in California since 1969, "that he owns property at San Clemente and that he has a personal attorney, accountant, physician, and a bank account in California."

Am trying to get hold of Bennett and see if he'll name the physician, who could be the shrink you heard rumors about. Will let you know. Xxxx Bennett's supposed to live here in Marin somewhere.
